## juicy Scoop

Academy award winning actresses, major talk show hosts, celebrity stylists, stay at home mums and students; are all crazy about the latest scoop in beauty.

Beauty Scoop; the recipient of these accolades and glowing reviews; is the natural vegetable based beauty revolution that boosts the body's own regenerative power; and enhances one's own beauty accessories - the skin, hair and nails.

This amazing natural beauty; is truly revolutionizing the beauty regimes of many of its loyal fans.

Here are some of their gushing comments:

*"My LA hairdresser asked what I have been using with my hair because she saw all this new hair growth and noticed that my roots were super strong."* **Alysia Reiner**, Film and Television Actress in the Academy Award Winning Film, SIDEWAYS

*"It was fantastic! It was delicious and I don't usually like shakes and powdered drinks. I prefer this to a pill as it is all natural and in a drink. It is the 'scoop' in attaining beauty. Even my facialist noticed the changes in my skin!"* **Ricki Lake**, Actress and Talk Show Host
